WHO

I am a 33 year old blond and blue eyed actor, dancer and journalist. My spare time I spent mostly with sports and writing. If I am not in the gym, running or sitting in front of notepad you will find me gardening or singing. Some say I'm tall with my 185 cm and my vocal range is bass baritone. As a writer I am versatile and maneuver from fiction to drama and news articles. I know that through my work I want to inform people and make a difference.
